OBJECTIVE

As a junior front-end developer, my career objective is to build a successful career in web development by utilizing my skills and knowledge in HTML, CSS, and JavaScript to develop high-quality user interfaces and web applications. I am committed to learning new technologies and staying up-to-date with the latest trends in the industry. I am eager to work collaboratively in a team environment, contribute to the growth and success of the company, and grow as a professional.

TOOLS

- HTML
- CSS
- JavaScript
- ReactJS
- AngularJS
- Bootstrap
- Git
- Github

SKILLS

- Strong problem-solving skills
